

Amber Services Group LLC

Federal Facility Services, Regulated Waste Management & Supplies

CAPABILITY STATEMENT

August 2026

COMPANY OVERVIEW

Amber Services Group LLC is a small business providing **facility services, regulated waste management, and facility supplies** to U.S. federal agencies and prime contractors nationwide. Built on a decade of federal financial management and contract administration experience, ASG delivers responsive service backed by disciplined, audit-ready contract administration — accurate invoicing, compliant documentation, and dependable performance on every order, from micro-purchase quotes to recurring service contracts.

CORE COMPETENCIES

- **Supplies & Consumables** — janitorial chemicals and paper, HVAC filters and belts, safety gear and PPE, hardware and MRO consumables, grounds and turf supplies, spill control and hazmat packaging, medical and lab consumables. Micro-purchase quoting through agency-wide replenishment, delivered to the point of need.
- **Facility Services** — janitorial and custodial services, grounds maintenance and landscaping, integrated pest management for federal buildings and grounds.
- **Building Systems Maintenance** — HVAC preventive maintenance, fire and life-safety inspection and testing (NFPA-compliant), elevator preventive maintenance. Maintenance scope only.
- **Regulated Waste Management** — medical and sharps waste, universal waste, and hazardous waste collection, transport, and disposal coordination with cradle-to-grave manifest and compliance documentation.

DIFFERENTIATORS

- **Built for speed at the low end** — streamlined quoting for micro-purchases and simplified acquisitions, with quotes returned within 24 hours.
- **Compliance is the core strength** — leadership with ~10 years inside federal financial management and contract administration, including service at U.S. diplomatic posts.
- **Audit-ready administration** — WAWF/PIEE invoicing, wage-determination compliance, and complete documentation on every contract.
- **Nationwide delivery** — a vetted network of licensed, insured local service partners and suppliers, managed to a single federal standard.
- **Responsive and accountable** — contracting officers reach a decision-maker directly, with same-day response.
